

Shepton Beauchamp Parish Council Carbon Footprint Questionnaire

Summary of Findings

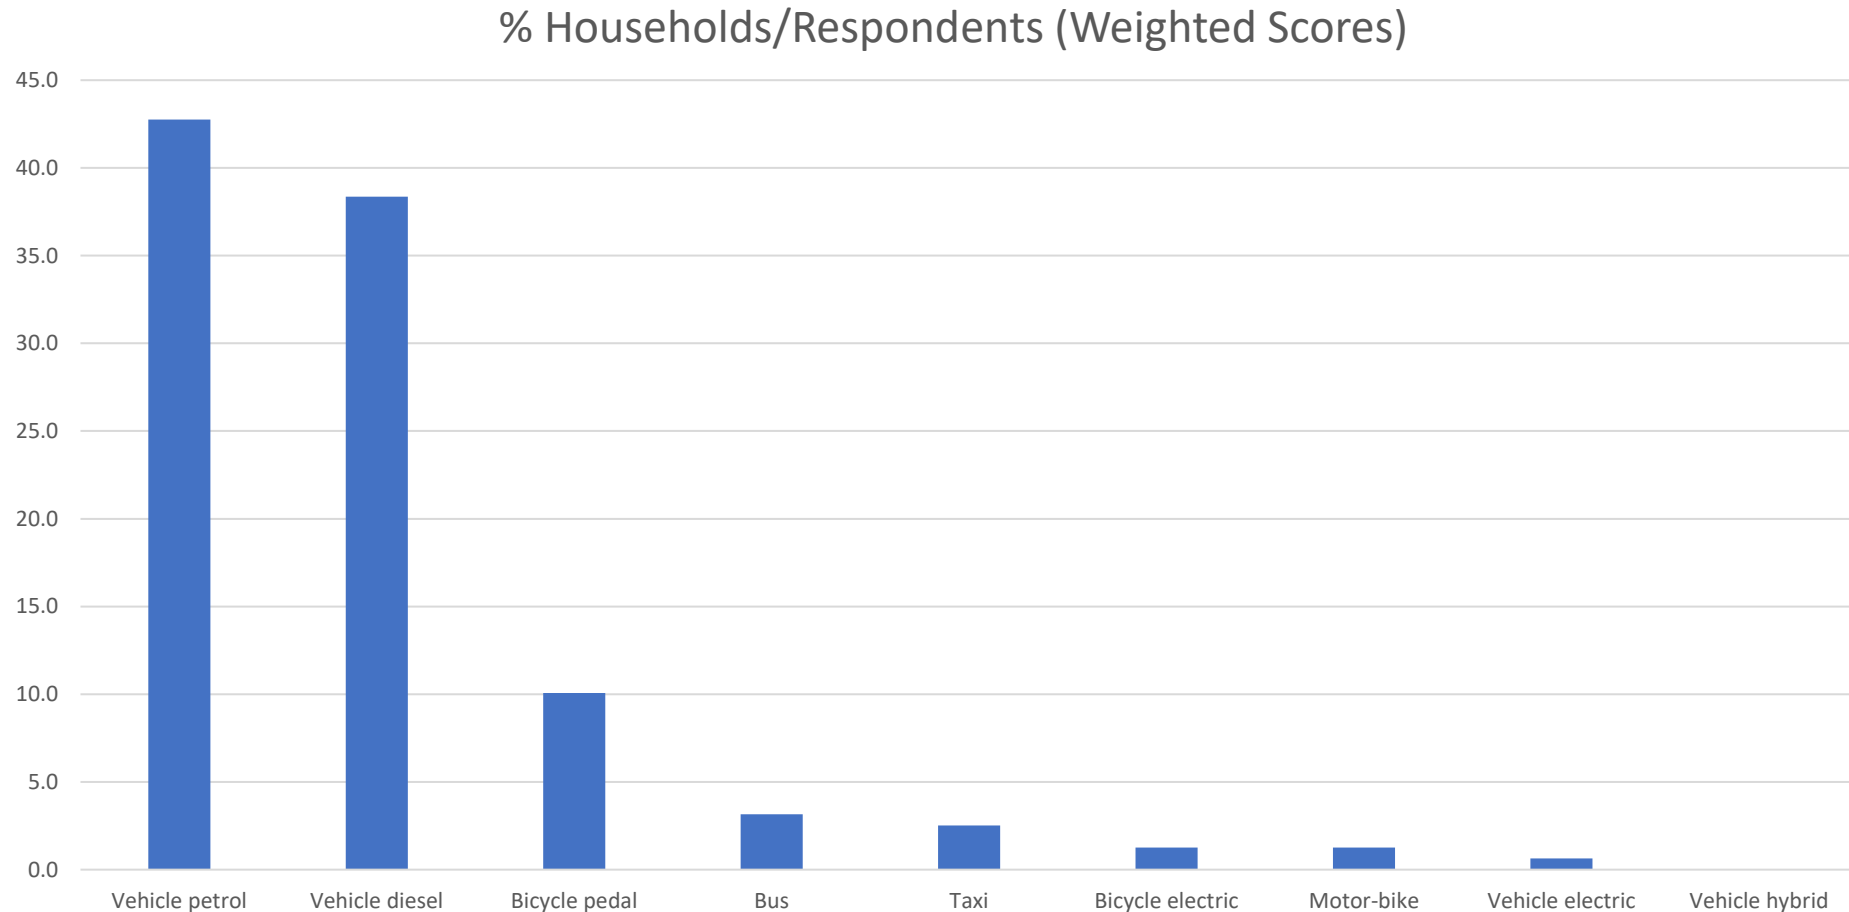

Community Opinion Survey: Carbon Footprint Questionnaire

- Live for three weeks: 28 May to 17 June 2021.
- Distributed to all households in Shepton Beauchamp with June Issue of Winsmore Benifice's Web Magazine.
- Also promoted on Facebook, by email and by word of mouth.
- Village Shop hosted post box for completed questionnaires.
- Total of 75 returns received: 20 paper; 55 online.
- Response rate 21% - 1 in 5 of households, which is very good/high for voluntary questionnaire returns.
- Google Forms software used to build database and summarise findings.
- Five questions

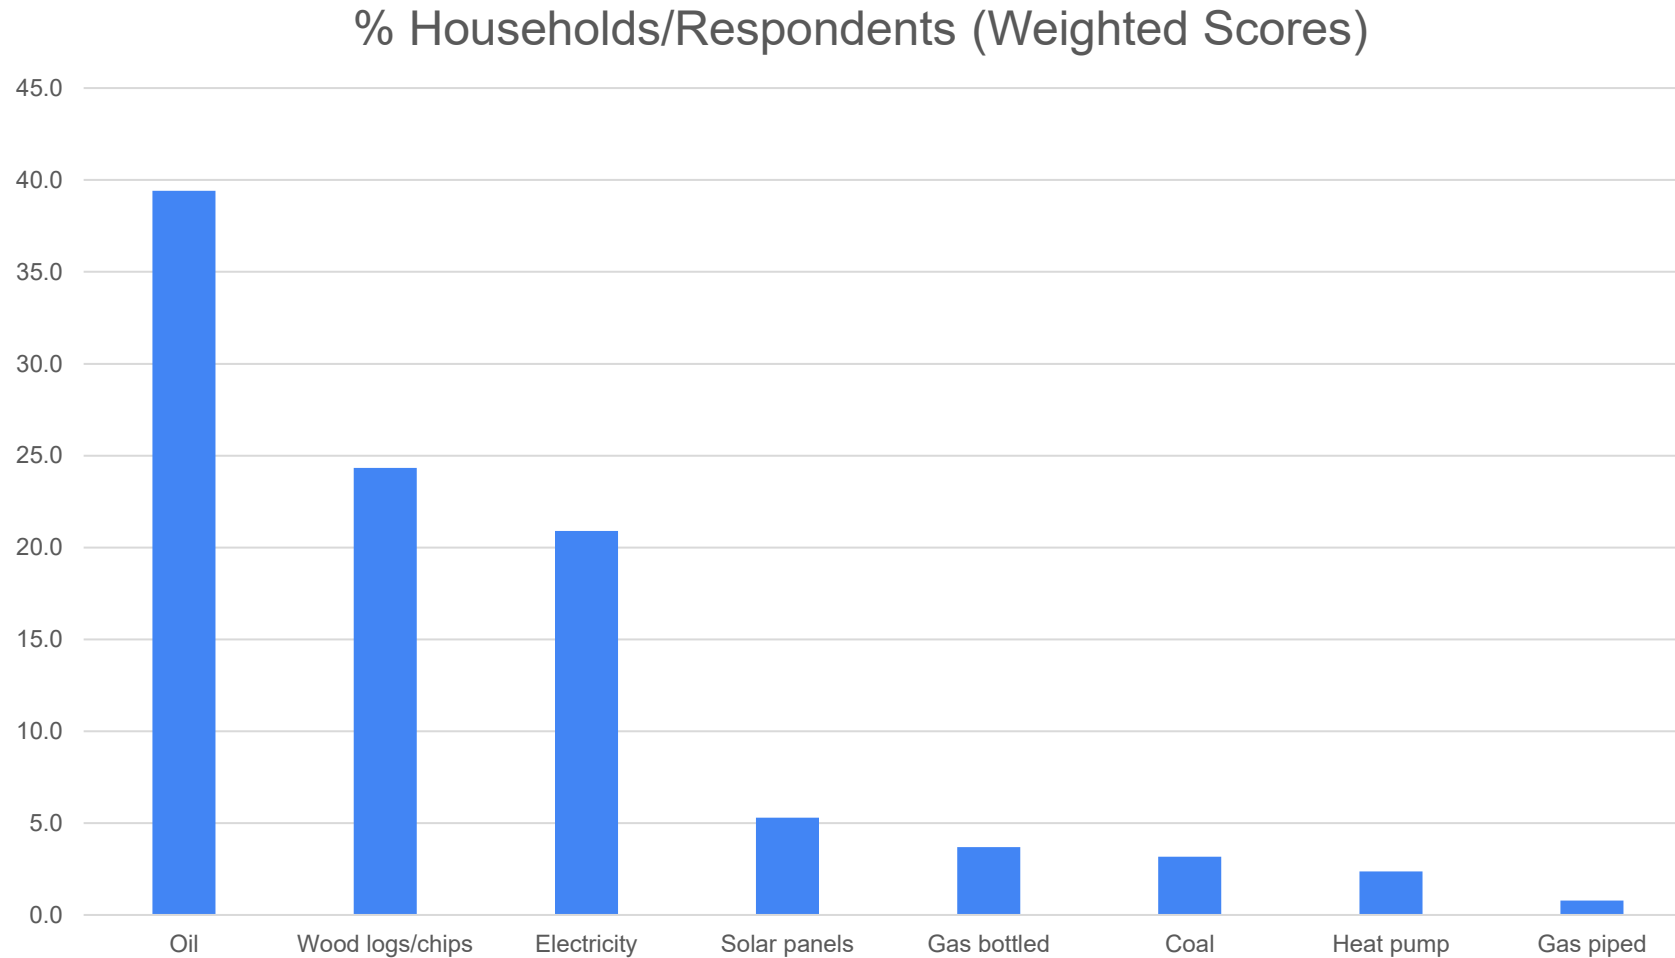

How Interested are You in Reducing Your Carbon Footprint ?

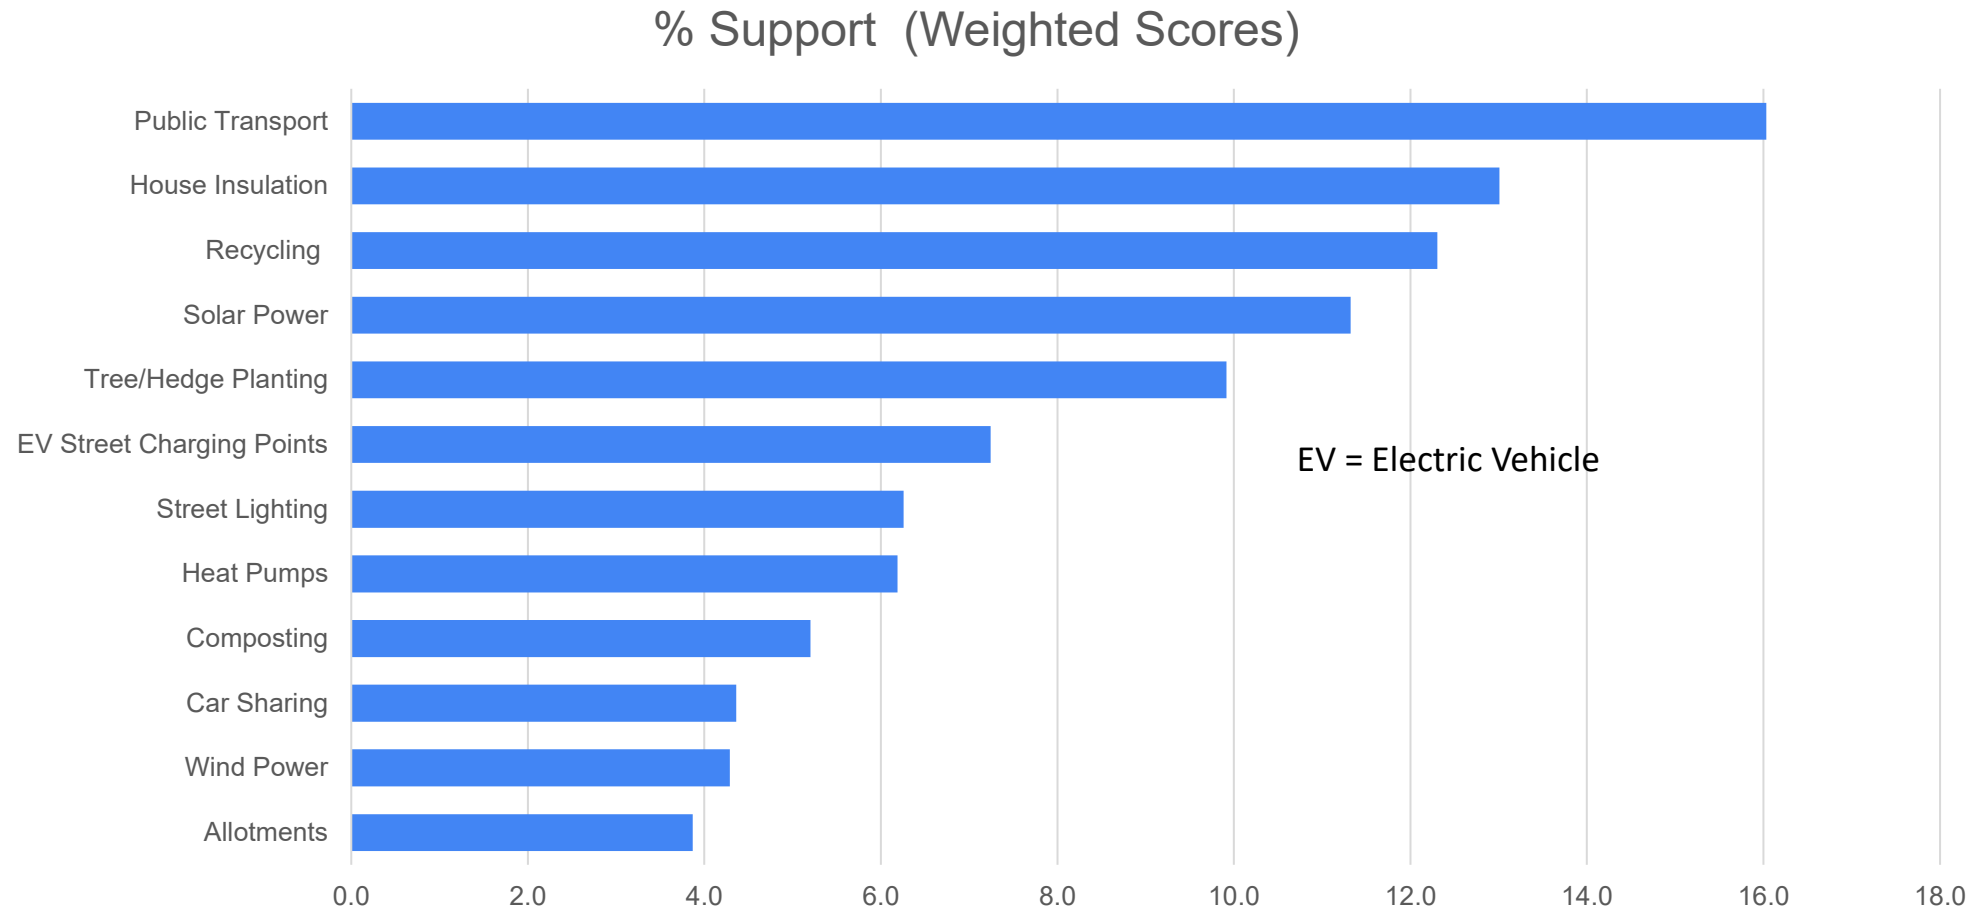

What are Your Main Forms of Transport ?

What are the Main Forms of Heating Your Household ?

What Climate Emergency Mitigation Measures Should Your Parish Council Promote ?

What Other Climate Emergency Issues Need to be Addressed ?
